# GERMANO FAMILY

### LOOKING BEHIND

Our hearts are rejoicing as we witnessed the faithfulness of God during the past two months as well as throughout the past year! The Lord was at work in our various Christmas outreaches during the months of November and December. He used Stephanie as she taught the ladies during their annual Christmas meeting. The following Sunday, one of the young ladies came to talk to us before church about her need for salvation, and she trusted Christ as her Savior. The first Sunday in December, we celebrated the fourth anniversary of Iglesia Bautista Dios con Nosotros. A local pastor who has faithfully served the Lord in ministry for over fifty years encouraged and challenged the church as we move forward. Additionally, during these past two months, the church undertook its first mission project, assisting a struggling church in the sugarcane villages, and sending the retired pastor in our church to serve as interim at the church he founded over thirty years ago.

### LOOKING AHEAD

Please pray for the young lady who trusted Christ as her Savior as she takes her first steps as a believer. Also, we ask for your prayers for us as we continue to work through the process with the government of resubmitting our paperwork so that we can open a bank account. Tim has the opportunity to preach at the church in the sugarcane village, which is hosting a joint service with other churches in the area in January. We are also asking for your prayers as we start our new semester for our English classes as well as resume our regular ministries and outreaches. We are excited about what God has in store for the church and are looking forward to new opportunities during this new year!

In Christ,  
The Germanos
