LOOKING BEHIND

Over the past few months, our church has seen some transitions. We've had a few families who have been with us for a long time relocate recently due to job changes, but we've also had new visitors who have become regular attenders. While we've faced some delays in processing the church's paperwork for the bank account due to unforeseen circumstances, we should be able to resume this process soon. We enjoyed a visit with Stephanie's parents during March as well as fellowship with some missionary families in the northern part of the country. In April, we received our permanent visas, and we are thankful to not have to renew them for another four years! We are praising God for His blessings during our Easter breakfast and service as we celebrated Christ's resurrection.

LOOKING AHEAD

We've recently had a few major repairs done to our vehicle, and we're currently in the process of finalizing its replacement. Please pray as we finish this process. Also, we are anticipating our Family and Friend Day on May 10th. One of our supporting pastors and his son will join us for this special day, assisting us with canvassing, a few projects, and a youth meeting. Please pray for us as we have been encouraging people to invite their lost family members and friends to come and hear the gospel. Additionally, we are preparing for our Vacation Bible School in June at our church, which we will then repeat at the church that our church supports in the sugarcane village in July.

In Christ,
The Germanos
